BEST WAY TO TRAVEL AROUND THE CITY...

If you are planning on travelling frequently around the city then invest in a bus pass from Unirider. Also get the Uber app on your phone, it will save you from calling random cabs and you can get a ride in minutes!

BEST CHEAP EAT...

With so many fast-food places you will never be too far from a place to eat. But if you want something more authentic and still budget friendly then try Yard & Coop for burgers, chips and great chicken.

BEST PLACE TO HANG OUT...

With 100s of coffee shops you are spoiled for choice but if you want to enjoy a bit of nature then head down to ‘tow the line’ which is the Manchester canal.

BEST PLACE TO HAVE A DRINK...

The Alchemist is the place to go if you want to have a few drinks at a reasonable price. Not only that, they probably serve the best cocktails in Manchester!

BEST PLACE TO DANCE THE NIGHT AWAY...

Satans Hollow is situated near the University and it's the perfect place if you're looking for good music and a great atmosphere.

BEST PLACE TO BREAK A SWEAT...

With a monthly payment of £20 you have no excuse not to join 'The Gym' and it's so close to the University too! Alternatively there are a lot of Zumba classes around the city if you want to take part.

BEST WAY TO UNWIND...

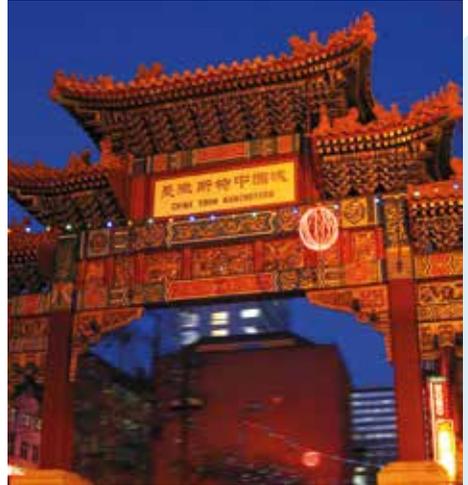

Why not book yourself and your friend for an afternoon tea at Patisserie Valerie, the atmosphere is so lovely and the right place to unwind. Try the double chocolate sponge with chocolate profiteroles or a pecan tart with a warm cup of coffee.

BEST PLACE TO SHOP TILL YOU DROP...

At the Manchester Arndale Centre you will find stores from A to Z and everything in between. There are over 200 stores to see so you will definitely find everything you're looking for.

BEST TOURIST SPOT OR MUST SEE...

China Town is the place to go if you are a big fan of Chinese food. It also offers oriental supermarkets if you love to try new things.

HIDDEN GEM...

Manchester's first cat café opened last year, and it's definitely a gem if you are both a lover of all things cats and good coffee. I recommend booking in advance before you go and did I mention they offer cat yoga? Just like yoga but added benefits of cats!
